ROOFING APPLICATION REQUIREMENTS

The following is a guideline of requirements that need to be met along with the completed application.

Application:

- Submit a completed application
- It is the responsibility of the homeowners to communicate with the Homeowners Association regarding covenant restrictions and requirements.
- The application requires both the homeowner's and the contractor's signature on the application.

Code Requirements: 2021 International Residential Code

- Ice & Water underlayment is required from the lowest edges of all roof surfaces to a point at least 24 inches inside the exterior wall line of the building.
- There is a maximum of two (**2**) layers of roofing materials.
- All fastening per manufacturers specifications.
- State Roofing License required.

Inspection:

- Final Inspection required.

Permit Fee:

- The permit fee is **$50.00** for a roofing permit; the fee is due at time of approval and issuance.

NOTE: The application must be fully completed in order to process your permit.
